Subject: Splash park/pad

To Mayor Dan Carter,

I am a resident in oshawa and I live on switzer drive off of sommerville. There is a park at the bottom of the road called sommerset park. I've been living here for 15 years and I heard that there used to be a public pool at this park. There are a lot of younger families living in this area now then before with lots of kids that go down and play at this park.

Im reaching out to ask if you would consider putting in a splash pad for the kids to play in during the summer. There is an an abundance of space that could be utilized to make more families enjoy this park. Please consider as If this is something that could be done by you, you will get my vote.

Sincerely,
Julian Oppenheimer
