Subject: Off Leash Park

Hi

I am requesting that the upper field at Somerset Park be made an off leash park before 10 AM. This area is a distance from the playground. Usually there are no people playing in the park at this time of day. It is a neighborhood park and responsible dog owners walk their dogs there because it is easy and convenient. It is difficult and inconvenient to have to drive to another area and this spot is always empty. It is only neighborhood dogs.

Could you please forward this to the Community Services Committee.

Thank you for your attention
Carol Edmunds

Subject: Off Leash Hours at Somerset Park

To Whom This May Concern,

I would like to request off leash hours at Somerset Park until 10 am each day. This park is located directly behind my house. It's a very quiet park that is mostly used by dog walkers. There are several neighbouring parks such as Brookside, Russet, Cedar Valley and Alexandria Park that are used more frequently than Somerset Park.

Thank you kindly for your consideration,

Allison
