Subject: Refund re: Jonathan Giancroce Campaign

Mr. Foran,

I am adding the image of the cheque that was received and deposited today to myself from the Jonathan Giancroce Campaign in the amount of \$50.

Through you, to the members of the Committee reviewing this matter, I consider this matter closed at this time since the \$50 over contribution has been refunded, received and cashed by myself.

As I previously indicated, this over contribution was made in error after I was advised that the limit was \$1250.

Thank you and please advise if any further action or communication is required.
