

***City Council, City Staff, Citizen Ride***

The perfect time to showcase some of Oshawa's past and present achievements.

**HIGHLIGHTING THE NEW EBIKE / SCOOTER SHARE PROGRAM**

Invite Bird and Neron to each make available a combination of 15 E-Bikes / Scooters for the event. (Total of 30) The cost for this will be paid out of the OATAC budget to a maximum of \$1500.00

This will minimize the number of people who can't join because of lack of Bicycle or Scooter, and you do not have to be in perfect health to join in. It will also highlight this great new Active Transportation opportunity in the City.

The City or the Region will have to provide some type of sign up sheet for this and the entire event. People should be able to reserve an E Bike or Scooter and it will be held for them up until ½ hour before the start of the ride.

**HIGHLIGHTING OUR PARKS, TRAILS, AND ACTIVE TRANSPORTATION FACILITIES**

Meet and start in the square at City Hall, then south on the Joseph Kolodzie trail to Lakeview Park, (always beautiful) across to the Ed Broadbent Waterfront Park. (Simply Awesome) Continue from there to Harbour St. then west to Simcoe Street, north to Lviv Blvd. Then west to the Michael Starr trail, which we will take north to Bruce Street, passing the location of the new GO Station, West to Albert St. north to Athol Street and continue west on the cycle tracks (forward thinking in active transportation) to city hall. Should be around 12 km and take less than two hours.

We will have swag, including water bottles, backpacks, safety brochures, lights & bells (for personal bikes) T-Shirts to give away at the beginning of the ride.

So, we don't conflict with other events, we would like the city to decide the exact date and use one of the other dates as a rain day.

Suggested dates are Saturday June 17<sup>th</sup>, or Sunday June 18<sup>th</sup>

Or Saturday June 24<sup>th</sup> or Sunday June 25<sup>th</sup>.

Suggested start times would be 11am if Saturday and 1pm if Sunday.
