

HTG-23-51

Heritage Oshawa has been taking part in Canada Day celebrations at Lakeview Park for many years. The Canada Day Working Group will continue with further considerations on a display and look forward to raising our new Heritage Oshawa tent!

Motion: That staff register Heritage Oshawa as a participant in the Canada Day event at Lakeview Park, and that staff print a colour copy of the City Register and Heritage Oshawa Inventory to be part of the Heritage Oshawa display.
