

Tree Planting Working Group report for the June 6th meeting.

This year's tree giveaway will follow the same model as the last few years.

Our budget allowed us to buy 310 trees, they are...

-100 sugar maple

-100 white oak

-110 paper birch

The give away is scheduled for September 23rd and will take place in the parking lot on the south west corner of Queen Street and King Street west.

The trees will be allocated on a first come first serve basis using the Cities on line presence.

We will need 5 – 7 volunteers for the day of the giveaway. The trees are delivered at 8am and 3 or 4 people to help unload would be good.

I've been involved with the giveaway for a few years now and it has always been an enjoyable experience.

Typically, about a third of people who reserve trees online don't show up to take them. Last year we encouraged people who wanted more to come back early in the afternoon and we found a home for them all.

I won't be here for this years event.
