

## **OEAC Fall Film Night Working Group Report**

June 1, 2023

### **Members**

Lee Buchanan, AJ Groen, Robert Mullins

### **Proposal**

The Region of Durham has requested that we combine forces and host the Fall Film Night on the same day as they are hosting a Fall community climate forum event. Film Night to include:

- Screening of a film related to environmental sustainability
- Displays booths and handouts from OEAC and others (OPUC, Durham Region, etc.)
- Time for a meet and greet in the theatre foyer before the film
- Presentation(s) on an environmental sustainability-related topic before the film
- Door Prizes to be raffled off
- Food-drive bin and donation box for a local charity, instead of entry fee

### **Proposed Film**

Seaspiracy

### **Venue**

The Regent Theatre is an ideal venue in a central location. They have hosted this event in the past, free of charge. The budget will include a cost for snacks and unforeseen fees that may arise i.e., Regent staff to run the bar, serve snacks, etc.

### **Date**

Between October 10-12, 2023. These are the tentative dates of the Region of Durham's Fall community climate forum event.

### **Advertising**

Potential ad placements will be:

- DurhamRegion.com
- Oshawa Express
- Facebook
- City of Oshawa social media accounts
- Posters (50) printed by the City and displayed at City-run facilities and other willing, local vendors

### **Door Prizes**

- Gift cards for local businesses and other donated items

### **Budget**

Venue Related (potential)	\$250
Film Royalty (potential)	\$500
Door Prizes	\$500
Advertising	\$250
Total	\$ 1,500

### **Motions**

- That up to \$1,500 from OEAC's annual budget be allocated for the 2023 Fall Film Night.
- That city staff request available dates from Regent Theatre during the proposed dates.

- That the Fall Film Night event partner with Durham Region's Fall Community Climate Forum.
- That the film "Seaspiracy" be aired.
