Re: OnLand Training for Heritage Oshawa Members – Update

On June 22, 2023, Heritage Oshawa carried the following motion:

“That staff investigate and consider OnLand training for Heritage Oshawa members interested in researching historical properties and report back at the September 28, 2023 meeting of Heritage Oshawa.”

Staff investigated the aforementioned training and were unable to find any expert who could train Heritage Oshawa on the OnLand program. Furthermore, there is no one available on City staff qualified to train Heritage Oshawa on the OnLand program.

Recommendation

That Report HTG-23-64 dated September 22, 2023, concerning the potential OnLand training for Heritage Oshawa members be received for information.
