Recognition of Indigenous Lands

The City of Oshawa sits on treaty land that is steeped in rich Indigenous history and is the present day home to many First Nations, Métis and Inuit peoples. We acknowledge that we live and work on land covered under the Williams Treaties, and the traditional territories of the Mississaugas of Scugog Island First Nation.

We acknowledge this land out of respect for the many Indigenous nations who have cared for the lands and waters from the beginning of time and still do so today. We extend our gratitude and appreciation for the opportunity to live and work on this territory.

CF-23-51 - Kathryn Bremner Submitting Correspondence concerning ramp access in the City of Oshawa to improve accessibility (All Wards)

Whereas there are Ontario municipalities that permit portable ramps at storefronts with a single step entrance; and,

Whereas the Canadian Charity StopGap has since 2023, populated the world with over 2,000 ramps to storefronts to help remove barriers to entry;

Now therefore staff consult with other Ontario municipalities and StopGap to investigate the successful process municipalities have adopted to permit the use of portable ramps that help remove

barriers to entry and report back to Committee and Council to find ways to permit improved accessible entry to premises with a step that a portable ramp custom designed to fit step heights between 2" and 9" could help remove barriers to entry and increase accessibility in the City.

CF-23-46 - Single Source - Britannia Avenue West Bridge Detailed Design (Ward 2)

Whereas, the Purchasing By-Law 80-2020 requires Council approval to award single source contracts greater than \$100,000; and,

Whereas, Britannia Avenue West is an Arterial C road and as such is the City's responsibility to fund and construct; and,

Whereas, this bridge structure is required in order to facilitate the development west of Oshawa Creek, west of Windfields Farms; and,

Whereas, this structure is also for the extension of Britannia Avenue West to Thornton Road N as outlined in the recently completed Class Environmental Assessment; and,

Whereas, this phase of the project is for environmental assessment obligations, site investigations, field review, and detailed design completion to tender ready for the bridge structure only; and,

Whereas, Council approved funding for the design of the Britannia Ave W Bridge in the 2019 and 2023 Capital Budget, project 73-0492 in the total amount of \$369,000 including non-rebateable H.S.T.; and,

Whereas, it is administratively practical, creates standardization and design continuity, and is cost effective to single source the completion of the Britannia Ave W bridge design, environmental assessment, and site investigations to WSP Canada Inc. the engineer of record for the 90% design completed; and,

Whereas, the City will enter into negotiations with WSP Canada Inc. to execute a Contract for the completion of the detailed design and environmental obligation investigations to not exceed the budget amount of \$369,000 including the non-rebateable H.S.T.;

Whereas on May 1, 2023 Council directed staff to report on including Ontario Land Tribunal (O.L.T.) decisions on matters that have been before the City's Committee of Adjustment and Oshawa Council in the Information Package as well as circulating to members of Council and staff; and,

Whereas the current practice when a notification of a Tribunal decision is received is to circulate the correspondence to members of Council and relevant staff in Planning Services and/or Legal Services; and,

Whereas the correspondence is provided in a PDF format that does not meet the City's requirements with respect to accessibility for publication on the website; and,

Whereas each item of correspondence would require significant remediation work by Legislative Services staff to prepare the document to meet the City's accessibility standards for posting to the website; and,

Whereas the O.L.T. makes case status and decision information publically available on its website at <https://olt.gov.on.ca/decisions/>, allowing users to search for cases before the Tribunal by property location, municipality, applicable legislation, case number or reference number; and,

Whereas the Federation of Canadian Municipalities (FCM) convened its annual conference from May 25 to 28, 2023, in Toronto, Ontario; and,

Whereas, in their respective speeches to FCM members, both Carole Saab, FCM CEO, and Scott Pearce, FCM President, called for new fiscal frameworks for municipalities across Canada; and,

Whereas at the Resolutions Plenary on May 27, FCM members debated and voted overwhelming in favour of a resolution calling for the following:

'...that Canada needs a modernized fiscal framework for municipalities, that FCM shall lead the development of a Municipal Growth Framework that links municipal financial capacity to factors such as national population growth and economic growth, and that FCM shall call on the federal government to engage with FCM in the development of that framework with a focus on new sources of municipal revenue'; and,

Whereas municipalities in Canada have been historically limited to taxation of property as the primary source of revenue, to the exclusion of other taxation tools permitted and used in municipalities in other jurisdictions globally, and such other taxation tools have proven to be the basis for more financially resilient, sustainable, and successful cities as compared to those reliant primarily on taxation of property; and,

Whereas municipalities in Canada are the order of government closest to the everyday lives of Canadians and are continually being asked to do more to serve Canadians without matching increases in stable, reliable, fiscally-appropriate revenue streams, and at present collect only about 10 cents to each tax dollar collected in Canada;

Therefore be it resolved:

1. That Oshawa City Council strongly affirm its support for the full resolution passed at the 2023 FCM conference in Toronto, Ontario, joining the nationwide call for the development of a modernized fiscal framework for Canadian municipalities; and,

Notices of Motion

CNCL-23-68 - Notice of Motion - Resolution regarding the Review of Operations and Future of the Region of Durham (All Wards)

Moved by Councillor Nicholson
Seconded by Councillor Lee

Whereas the Province of Ontario has indicated that it will be assigning provincial representatives to review the operations and future of the Regional Municipality of Durham; and,

Whereas this review may lead to the dissolution of the Region of Durham or the amalgamation of the current member municipalities into a new City of Durham, and that either option could have detrimental impacts of services to the residents of Oshawa and Durham; and,

Whereas similar plans imposed by the Province in communities such as the City of Toronto, have lead to increased costs and taxation levels; and,

Whereas these actions have not been requested by the Region of Durham, the City of Oshawa, and our fellow member municipalities in Durham;

Be it resolved:

1. That the City of Oshawa does not support alteration to the operations and composition of the Region of Durham without the consent by the member municipalities of the Region of Durham and only with the consent of the Council of the Region of Durham as a whole; and,

2. That the City of Oshawa does not support any actions that would impact the boundaries or status of the City of Oshawa without the consent of the Council of the City of Oshawa following a public consultation with the residents of the City of Oshawa including a formal referendum voted on by the residents of Oshawa prior to any decision; and,
3. That as the residents of the City of Oshawa have not consented to changes in either tier of municipal government, the City of Oshawa supports the current boundaries and composition of the Region of Durham and of the City of Oshawa; and,
4. That copies of this resolution be forwarded to the Region of Durham, all members municipalities and school boards located in Durham Region, to all MPs and MPPs based in the Region of Durham, to the Premier and Opposition Leaders of the Province of Ontario, to the Minister of Municipal Affairs and Housing to the Association of Municipalities of Ontario and to any other bodies deemed by Oshawa staff.

Whereas the Recreation fees for seniors in Oshawa only come into effect after age 65; and,

Moved by Councillor Nicholson

Whereas the City of Oshawa collects Development Charges pursuant to By-law 60-2019, as amended, to provide capital funding for projects resulting from growth; and,

Whereas By-law 60-2019 came in effect in 2019; and,

Whereas the provisions of Bill 23 permit the extension of the By-law out to a ten year cycle; and,

Whereas the cost estimates for the City's capital program have escalated significantly as a result of high inflation;

Therefore staff be directed to commence the process to update the Development Charge Background Study and By-law targeting an implementation date of July 1, 2024 to increase the funding support to meet the City's capital requirements.
