c/o Branden Morris, City of Oshawa

Hello Valerie,

I am writing on behalf of the Board and staff of Friends of Second Marsh to thank you and the committee for your nomination to the Durham Environment and Climate Advisory Committee for the Dr. J. Murray Speirs Restoration Award.

We are proud of what we have accomplished through the ***Let's De-Phrag the Marsh!*** project and were very honoured to receive this recognition.

Thank you again.

Peter
