**Date:** June 13, 2024

**To:** Dorothy McFarlane, Chair and Members of the Oshawa Accessibility Advisory Committee

**From:** Jennifer Lane, Council-Committee Coordinator

**Re:** Information from Oshawa City Council – May 27, 2024

At a meeting on May 27, 2024 Oshawa City Council adopted the following recommendations of the Economic and Development Services and Safety and Facilities Services Committee's:

1. ED-24-59 Presentation Request - BUILT Form within the Integrated Major Transit Station Area (Previously OAAC-24-21) (Ward 5)

Whereas currently within the Major Transit Station Area (M.T.S.A.) there no built form proposals only concepts; and

Whereas built form is presented with site plan applications; and

Whereas Planning staff make presentations to the Oshawa Accessibility Advisory Committee (O.A.A.C.) on built form when presenting site plans to the Committee;

Therefore be it resolved, in accordance with Item ED-24-59 that Planning staff continue to make presentations to the O.A.A.C. on site plan submissions including those associated to the M.T.S.A. Plan financial incentives to help grow and support development.

2. SF-24-21 Signage for Public Washrooms at City Hall (Previously OAAC-24-20)

Council endorsed the following O.A.A.C. Motion:

That since the doors to the washrooms located on the same level as the Committee Room are now locked and requiring the attendance of a Security Officer to unlock,

That signage be placed in an accessible location to alert the public.

This item is provided for information to the Oshawa Accessibility Advisory Committee, no further action is required.
