I have read the complaint from Ehtasham Gonda regarding the maintenance of the grass in the center of Delroy Court.

I do agree that the lawn maintenance is and has been an issue, but I disagree with paving over the court as suggested by Ehtasham Gonda. This week Mr Gonda had approached the neighbors to acquire signatures on a petition to have the court paved. It is my understanding that not one of the other residents on Delroy Court signed his petition.

In the complaint from Mr Gonda he states "For as long as I can remember, the maintenance of the court has been a recurring issue." Just so you know he has only lived in the court M.F.I.P.P.A. Sec 14(1)

Over our approximately 20 years living on Delroy Court the grass mowing has been an issue, but in no way want to have the center of the court paved over.

Over the years the court has proven to be a safe place for children to play so see no need to change it to a parking lot.

Thank you.
