Subject: 14 1/2 King St E Building Lovell Holdings Limited - City of Oshawa Parking agreement

Hi there,

Lovell Holdings Limited is looking to extend our current parking agreement in the Mary St parking garage with the City of Oshawa. I have attached a copy of the current agreement for the Legislative Services department to review.

I also would like to make a request on leasing 2 spaces in lot 16 on Athol St. We have 2 residential units in our 14/16 Simcoe St S building that we completely renovated in 2021 are having a hard time leasing due to lack of close parking availability.

Look forward to hearing back from the City in the near future.

Thanks,

Matt Bowles
