Evaluation and Inventory Working Group Report – 70-Year Property List

70-year property list; evaluate for possible addition to Heritage Oshawa Inventory (Ref. HTG-24-13, HTG-24-40)

We acknowledge that staff sent a more detailed list of the property type to review (house, shed etc.). The Working Group decided to continue with attempting to use various ways to sort by city of Oshawa Ward to make evaluation easier; this is a large list of properties. As soon as a more workable list is available to the Working Group members, evaluations will begin and a report submitted to Heritage Oshawa to review.

Recommendation:

That Report HTG-24-56 dated October 18, 2024 from the Evaluation and Inventory Working Group concerning the 70-year property list and evaluation thereof for possible addition to Heritage Oshawa Inventory be received for information.
