

## **HTG-24-59**

### October 18, 2024 - Evaluation and Inventory Working Group Report

#### Update photos in April 2024 Heritage Oshawa Inventory

Before undertaking this massive task, we may need to bring in other members of Heritage Oshawa to assist with photographing any necessary changes, additions to the photos. Discussion on type/style of photos took place; these issues will be discussed with all taking photos before commencement. Gas mileage will need to be addressed as well. The Working Group is hopeful all the photos will be reviewed and ready, at the latest, for presentation to the December 2024 Heritage Oshawa meeting and city staff will update the Heritage Oshawa Inventory. To make it easier to assign properties to be photographed, we may need to have the list sorted by city Ward.

#### Recommendation:

That Report HTG-24-59 dated October 18, 2024 from the Evaluation and Inventory Working Group concerning an update of photos in the April 2024 Heritage Oshawa Inventory be received for information.
