October 18, 2024 - Evaluation and Inventory Working Group Report

Dates when Properties are added to the Heritage Oshawa Inventory

This has been the most asked question by the public, primarily by property owners who find their property listed in the Heritage Oshawa Inventory, and also the most difficult to answer, along with “what is an A/B listing mean and why is my place ...”. Through an ongoing review of previous Heritage Oshawa Inventories and previous Heritage Oshawa agendas and minutes, many but not all dates have been found. There were no Evaluation Forms included in either the agendas or minutes from previous meetings and there are no “original” hard copies available to review.

There are many Heritage Oshawa agendas and minutes unavailable to review on the city website. A tentative report will be made, with best available data, to the Evaluation and Inventory Working Group. However, access to all previous Heritage Oshawa agendas and minutes would assist to finish the task.

Recommendation:

That Report HTG-24-60 dated October 18, 2024 from the Evaluation and Inventory Working Group concerning the dates when a property was added to the Heritage Oshawa Inventory be received for information.
