**Subject:** Re: FW: OACAC Cancellation - June 25/24

Hi Felicia,

I would like to formally resign from the committee. My apologies for the delay on this email but please consider this my formal resignation. Committee members need to include new members in their communications if they want to create a team of people who stay long term to help them make a difference. Thank you for the opportunity I am sorry I was not afforded the opportunity to showcase my value in this field.

Kindly,

Elizabeth Colquhoun
