Re: Request for Comment – Draft Documentation, Salvage, and Commemoration Report for the Albert Street Bridge

The purpose of this memo is to provide the draft Documentation, Salvage and Commemoration Report (the "D.S.C.R.") that has been produced for the Albert Street Bridge to Heritage Oshawa for their review.

On April 25, 2024, Heritage Oshawa considered Report HTG-24-29 concerning a scope of work from Metrolinx for the D.S.C.R.s to be produced for the Albert Street Bridge and the Farewell Street Multi-Use Bridge. Heritage Oshawa struck a working group to review and subsequently endorsed the scope of work at their meeting on May 23, 2024.

Pursuant to the scope of work, Metrolinx has shared the draft D.S.C.R. for the Albert Street Bridge with City staff and asked that Heritage Oshawa review and provide any comments by December 13, 2024.

Owing to its length, the draft D.S.C.R. for the Albert Street Bridge was sent to the members of Heritage Oshawa via email on November 22, 2024.

In the event that Heritage Oshawa wishes to review and provide any advisory comments on the draft D.S.C.R. for the Albert Street Bridge, staff suggest that Heritage Oshawa strike a working group to provide comments at their subsequent meeting on December 12, 2024.

Recommendation

That Report HTG-24-65 dated November 22, 2024 concerning the draft Documentation, Salvage and Commemoration Report for the Albert Street Bridge be received for information.
