

Fall Film Night Working Group Report

Date: December 3, 2024

Prepared By Members: Gregory Waclawek (Chair), Joseph Young, AJ Groen, Emily Posteraro, Tim Speirs

Updates:

- OEAC successfully hosted the Fall Film Night at the Regent Theatre on October 23, screening the Canadian documentary *There's Something in the Water* with an introductory presentation by students from the Ontario Tech University's Office of Campus Infrastructure and Sustainability.
- The event had a total of 90 attendees, who were able to contribute a food donation at the entrance. Seven organizations in addition to OEAC ran information booths, and ten prizes, which included a combination of donations and local business purchases, were raffled out to audience members.

Budget Implications: None

Recommendations: Receive for information.
