Hello Oshawa Environmental Advisory Committee (OEAC),

My name is Carmen Lint and I am a member of the Oshawa Garden Club and the plant sale committee. We hold an annual plant sale in which our members donate plants from their gardens. We do purchase some vegetable and herb seedlings for a variety of plants to offer to the community. Last year even though the weather didn't cooperate we generated over \$2500 in sales. The event is well attended by members of the community. In addition to selling plants we have had a few community partners in the past join us with information tables and/or activities such as the Oshawa Public Library, and a Butterflyway Ranger from David Suzuki Foundation's "Butterflyway Project.

This year the event will be held on Saturday May 24th, 2025 from 9:00am - 1:00pm at South Oshawa Community Centre. I cordially invite you to join us and set up an information booth as this is a great opportunity for community outreach regarding the impact we have on the environment.

Please let me know if this is something you would be interested in attending,

I look forward to hearing from you,

Carmen Lint
