Oshawa, Ontario, <M.F.I.P.P.A. Sec 14(1)>

Attention: City of Oshawa Economic and Development Services Committee

This letter is a proposal to name a street in memory of GEORGE WEISZ.

Mr. Weisz was acknowledged by Mayor John Henry in 2010 for Mr. Weisz's contribution as the Oshawa Harbor Commission as well as his contribution for being a Director of the Committee of Adjustments for 30 years.

George made a considerable contribution to the City of Oshawa Mr. George Weisz had been employed by General Motors for over 30 years as an engineer.

For example, I personally remember many trips out of town during the summer enjoying a great father/son expedition boating and my dad George Weisz would cancel our trip short to return back for the bi-weekly meetings for the Committee of Adjustments. He took this position very seriously and contributed his education and experience to those who needed it within our community.

In 2010, I personally organized a comedy festival in Durham Region which we raised as a group 10K for the Make-A-Wish Foundation. During this period of time I had the pleasure of our local community and politicians participate in judging and attending these events. International celebrities attended and during this time Tito-Dante Marimpietri expressed to me that my father would have loved to have a street named after him.

Thank you in advance for your consideration.

Sincerely,

Rich Weisz
