Hi Economic and Development Services Meeting

Just a short note to indicate my support for my late good friend George Weisz.

I have known George since he came to Canada to work for GM as he stay with us on M.F.I.P.P.A. Sec 14(1) and that was over 60 yrs.

He has made a great contribution to the life in the City of Oshawa. His contribution as the Director of the committee of adjustments for over 30yrs (w0w) the Oshawa Harbour Commissioner a Director at the Art gallery and a long standing member of the Kiwanis. George was a true friend to the Kolodzie family and partnership in business with my nephew Matthew which showed his leadership and his knowledge of the City of Oshawa.

Again it gives me great pleasure to support George Weisz in this endeavour.

Economic and Development Services Meeting attendees,

I attended Secondary School with the three Weisz children, Vivian, Patti and Rich all of whom were kind and helpful students. Mr. George Weisz was generous and pleasant in all interactions with me, my family and our business.

George spent tireless time and energy working within organizations that contributed to what Oshawa has become as a city including the Harbour Commission, the Art Gallery and the Kiwanis Club as well as acting Director of the Committee of Adjustments.

Sincerely,

Glen Peacock

RE: George Weisz – Street Naming – City of Oshawa

George Weisz was a dear and loyal friend who I admired and respected throughout our lifetime of friendship as well as business related projects.

I had the privilege of working with George and his firm on several commercial projects. He was professional, knowledgeable and trustworthy. These are the traits that endeared him to me.

Aside from his trade, he was, above all, a devoted family man and indulged in successful businesses that contributed to the health and welfare of Oshawa. He had an influential career at General Motors. He was extremely loyal and always personally and proudly supported GM products.

George represented Oshawa as its Harbour Commissioner. He was on the Oshawa Committee of Adjustments and City Art Director. He did all this on a volunteer basis, without remuneration, simply out of his generous and selfless spirit of community.

In essence he is the prototypical Oshawa Citizen, who as a Samaritan and role model is certainly deserving of any honour that the City has the power to bestow on one of its own.

For the reasons stated above, please accept my endorsement recognizing George Weisz and his legacy to Oshawa.

Yours Truly,

Oshawa, ON

Dear Attendees and Representatives, Economic and Development Services Meeting;

Thank you in advance for considering the naming of a city street after the late George Weisz.

I knew George to be kind, considerate and a forward-thinking man. He was a great ambassador locally and abroad for our community. From his career at General Motors, to his contributions as Director of the Committee of Adjustments, to being the Oshawa Harbour Commissioner, and the Art Gallery Director, he was always professional and passionate about making a difference.

He was a hard working, intellectual man that raised a loving family in Oshawa, and gave back to Oshawa in many ways including being a long-stranding member of the Kiwanis Club.

Thank you for considering this Honour for George Weisz.

Kind regards,

Peter Hernandez, C.I.T.P.
