Re: Impacts of International Student Program Changes to Local Post Secondary Programs

Please be advised that at its meeting held on March 24, 2025, the Council of the Town of Whitby adopted the following as Resolution # 60-25:

Whereas the Town of Whitby recognizes the significant contributions of Durham College to our local economy and community through its diverse range of programs and skilled graduates; and,

Whereas the recent changes to the International Student Program (ISP) by Immigration, Refugees and Citizenship Canada (IRCC) have negatively impacted post-secondary institutions in Ontario, including Durham College, by reducing international student study permits and limiting eligibility for Post Graduation Work Permits (PGWP) to programs in fields of study identified as having national labour market shortages, irrespective of local labour market needs; and,

Whereas the Blue Ribbon Panel report commissioned by the provincial government highlighted the need for long-term, sustainable funding for the postsecondary sector, noting that Ontario's colleges are funded at 44% of the national average, with tuition revenue first cut by 10% in 2019 and then frozen for the past six years; and,

Whereas the financial sustainability challenges faced by Ontario's post-secondary institutions have been exacerbated by significant wage and cost inflation, as well as the growing reliance on international enrolment; and,

Whereas Durham College has compiled a short list 34 programs not currently PGWP eligible to the IRCC list of fields of study (Attachment #1) which provide skilled graduates who are vital to growing our local economy, and in some cases,

the College relies on international student enrolment in these programs to create financially viable cohorts for domestic students;

Now Therefore be it Resolved:

1. That Whitby Council calls on the federal government to add the 34 programs listed in Attachment #1 and offered at Durham College to the IRCC list of fields of study;
2. That Whitby Council calls on the provincial government to enact the recommendation in the Blue Ribbon Panel report to provide long term, sustainable funding for the post-secondary sector; and,
3. That a copy of this resolution be sent to the Honourable Rachel Bendayan, Minister of Immigration, Refugees and Citizenship Canada, the Honourable Nolan Quinn, Minister of Colleges and Universities; Durham Region MPPs; and all Durham Region municipalities.
