Community Resources Working Group Report

- Vet letter has been drawn up and will be going out early next week.
- We are hoping to do back-to-back weekends, Sat one weekend and Sunday the other weekend (all depends on vet availability) for Oct or early Nov.
- Location will be at OAS if available for the weekends that vets are available
- Gift bags for pets, - hoping to coordinate thru Mel and Rescue Chow as we will be hosting the wellness event prior to their volunteer weekend where they put all the bags together.

Recommendation:

That up to \$2,000 be allocated from the Oshawa Animal Care Advisory Committee 2025 Operating Budget for the costs associated with Pet Wellness Day(s) to purchase operational supplies, such as vaccines, flea medication, dewormer, supplies for pet gift bags, food for the volunteer teams of vets for duration of event.
