

INFO-25-178

To Oshawa Council,

Please accept this email as formal notification that I am resigning from my position as on the Heritage Oshawa Advisory Committee, effective immediately. Due to changes in my professional schedule, I am unfortunately no longer able to dedicate the necessary time to this commitment.

I sincerely appreciate the opportunity City Council gave me over the last three years to advise the City on heritage issues on behalf of the residents of the great City of Oshawa. It was truly an honor to be appointed.

Best regards,

John O'Boyle
