

City-Initiated Technical Amendments: Removing Obsolete Consequential Amendments

That the Corporate Services Committee recommend to City Council:

Whereas staff regularly review City of Oshawa by-laws to ensure that they are effective and efficient; and,

Whereas staff identified obsolete sections regarding consequential amendments in the Fence and Sight Triangle By-law 23-2014, as amended, and the Non-Parking Administrative Penalties System By-law 63-2013, as amended, that should be removed from the respective by-laws to enhance clarity and as their direction has already been captured in those subject by-laws; and,

Whereas in an effort to address future obsolete consequential amendments in an efficient manner, staff identified a need to amend the Delegation of Authority By-law 29-2009, as amended, to authorize the City Clerk to pass by-laws which make minor amendments to remove obsolete consequential amendments;

Therefore be it resolved that Council approve a by-law the form of Attachment 1 to CORP-22-29 “City-Initiated Technical Amendments: Removing Obsolete Consequential Amendments”, dated May 9, 2022, and in a final form acceptable to Legal Services and the Commissioner of Corporate Services, to amend the Fence and Sight Triangle By-law 23-2014, as amended, Non-Parking Administrative Penalties System By-law 63-2013, as amended, and Delegation of Authority By-law 29-2009, as amended to remove obsolete consequential amendments and establish delegated authority to the City Clerk as outlined in CORP-22-29.
