I am President of Oshawa Tennis Club, a 100 year old not-for-profit community club. Tennis Clubs of Canada operates 5 very successful year-round clubs in other municipalities, is in expansion mode, and is interested in developing a similar year round community tennis club in Oshawa, in particular in a location on Thornton Road, adjacent to the current bike park development. The CEO of Tennis Clubs Canada would appreciate the opportunity to speak to the committee and make a presentation of their proposed business model.

We would appreciate the opportunity to make this presentation as soon as possible, as we do not want to miss out on this exciting chance for a private/public partnership. Interest in tennis is at an all time high, and unfortunately Oshawa lacks sufficient year-round courts, a situation we hope to rectify. Thank you for your consideration.
