5.0 Analysis

Section 391 of the Municipal Act, 2001 permits a municipality to pass by-laws regarding fees and charges:

Without limiting sections 9, 10 and 11, those sections authorize a municipality to impose fees or charges on persons,

(a) for services or activities provided or done by or on behalf of it;

(b) for costs payable by it for services or activities provided or done by or on behalf of any other municipality or local board; and

(c) for the use of its property including property under its control”.

In addition, Section 69(1) the Planning Act allows a municipality to pass a by-law to establish fees for the processing of applications made in respect of planning matters, in which, the fee “shall be designed to meet only the anticipated cost to the municipality”.

The recommended changes to the City’s General Fees and Charges By-law outlined in this report are aligned with the City’s guiding principles of financial stewardship including:

- Being proactive and innovative in providing cost effective core programs, services and facilities responsive to community needs while living within our means;
- Focusing attention on critical areas;
- Making informed decisions that support sustainability;
- Ensuring responsible taxation; and
- Ensuring a sound and sustainable financial future.

5.1 Public Notification

Section 4(1) of the Notice to the Public By-Law 147-2007, as amended (“Notice to the Public By-law”) states, “The Clerk shall cause the Notice to the Public to be published in a Newspaper at least once”. Section 1(g) defines “Newspaper” as “a printed publication in sheet form published regularly at intervals of not longer than a week consisting in part of news of current events of general interest and distributed to the public and/or sold to regular subscribers that, in the opinion of the Clerk, has such circulation within Oshawa as will provide reasonable notice in circumstances where notice is required to be given”.

As well, Section 4(2) of the Notice to the Public By-law states:

“The Notice to the Public shall be posted on the Notices Pages of the City’s Website for at least the two-week period immediately preceding the Council or Standing Committee meeting at which the matter will be considered and an opportunity is provided for members of the public to speak to the matter.”

In accordance with the City’s Notice to the Public By-law, a notice was placed on the City Page of the October 7, 2021 edition of the Oshawa This Week. A copy of the ad was

posted to the City's website and corporate social media accounts, as appropriate, on October 1, 2021.
