CRG Update: Sept 22, 2022

Our committee is moving ahead full steam with our Pet Wellness Day on October 9th. We have 3 vets and 3 to 5 Vet techs and a volunteers for the day of. We hope to be able to see 40 to 50 animals max that day. Vaccinations, flea, tick, nail trim. Gift bags for the animals and for their owners will be given out as well. This is a first come 1st serve day. It is held at the DUO site on Simcoe St S location from 12 to 4. Flyers have gone out to a few selected locations. Back Door Mission, Settlement House, Seniors Centre on John St. Seniors buildings on Mill St, Durham Dignity for the Homeless. Donations from Pet Value, Pet Smart, OAS, Kibble Project, Vets and others have been received and are being sorted and put into grab bags.

This is a pilot project with limited ability to see large volumes on this day. If there seems to be a need we could look at another event in the spring.

I want to thank Kathy PF and my committee members for reaching out to all their community contacts and bringing this together.

Dianne Fil
Chair CRG
