

Hi Felicia

Please find the following for the OACAC agenda.

The By-law & Regulatory Working Group continues to research 'Animals and Fireworks' regarding the possible recommendation for a regulatory amendment to the city Fireworks by-law.

The By-law & Regulatory Working Group continues to research standards for travelling or temporary exhibits such as, but not limited to, circuses, petting zoos and any promotional exhibits using animals.

A motion for committee to be tabled...

Amendment to the Responsible Pet Owner By-law.  
Regulating the Commercial Sale for Profit of Cats, Dogs and Rabbits Within a Pet Shop.

**That a pet shop is not permitted to use any form of advertising or promotion on or about its premises or to use the pet shop name and/or contact details, to give away or to facilitate the sale, for any reason, the commercial sale of any cat, dog or rabbit.**

*The current exemption that applies to a pet shop acting as a satellite location to facilitate the adoption of cats, dogs and rabbits from the Municipal Shelter, Durham Humane Society and Rescues to remain as-is.*

Regards,

Martin
